The screenshot shows the 'Change Password' page of the e-Aushadhi Portal. The page has a dark blue header with the portal name and a user profile icon. A left sidebar contains navigation links: Dashboard, RBAC, COMMITTEE, and NOTIFICATION. The main content area is titled 'Change Password' and includes a list of password requirements: 1) Password should be a mix of alphabets, numerics and special characters (\$#@%\'_~!*) without any space in between. 2) Password must contain both upper and lowercase letters. 3) Password length should be between 8 to 28 characters. Below these requirements are three input fields: 'Old Password', 'New Password', and 'Confirm Password'. There is also a 'Captcha' section with an input field and a captcha image showing the code '66-50'. At the bottom right of the form are 'Cancel' and 'Submit' buttons. The footer of the page states: 'Website content owned by Ministry of Ayush, Government of India. Designed, developed and maintained by BISAG-N'.

Then in the form enter your old password, new password, confirm password and captcha code and hit Submit to change the password
